

# 2ND ANNUAL EPA CHP PARTNERS MEETING

May 12-13, 2004 • Hotel Washington • Washington, DC

## Save the Date!!

Please join us for the **2nd Annual EPA CHP Partners Meeting** in Washington, DC!

- Get the latest updates on Federal NSR rulings and the status of state Output Based Emissions standards
- Attend technical presentations on niche CHP applications such as ethanol and waste water treatment facilities
- Find funding opportunities and learn streamlined techniques for responding to RFPs
- Celebrate CHP Partner success stories and network with peers
- Discover all the services available to you as a CHP partner!

**Monitor the EPA CHP Web Site at [www.epa.gov/chp](http://www.epa.gov/chp) for registration information!**

The *EPA CHP Partners Meeting* is being held in conjunction with the *U.S. Combined Heat and Power Association Policy Day* and the *World Alliance for Distributed Energy International CHP Meeting*. Attend all 3 meetings on May 10th - 13th to participate in national and international CHP discussions.
